JR sizes 116/128-140/152

SR sizes 164/S-M-L-XL-XXL

DESCRIPTION

* made in high quality Microtex 125 material. * high performance and comfort. * light weight. * strong fluid transportation. * knee length. * a piping down the side of the leg and across the backside. * two pockets with zippers. * elastic waistband with a cord.

ARTICLE

name Uni Sock

colour BLACK

art.nr. 440107-800

JR sizes 25/29-30/35-36/40

SR sizes 41/44-45/48

DESCRIPTION

* sock is made of polypropylene fibres. * a thermal fibre, whose specific weight is the lightest available. * fibre is moisture resistant and moisture transportable. * sock has a mesh knitted backside for perfect fitting and comfort. * sock has an elastic top. * sock has a new anatomic foot for improved fitting and comfort. * left-right system. * washable at 60 degrees, non bleed and available in five sizes. * in many different colours available.

ARTICLE

name Porto TTC Suit

colour YELLOW-BLACK-WHITE

art.nr. 406100-482

JR sizes 128-140-152

SR sizes 164-S-M-L-XL-XXL

DESCRIPTION

* a durable knitted polyester/cotton (85%/15%) tracksuit in a recognised, high quality material. * the cotton in the inner layer is soft, comfortable and moisture transportable. * the polyester/cotton works well as the outer layer rejects dirt, stays in shape and maintains its colourfastness. * this combination of materials provides good performance and comfort. * the jacket and pant feature concealed pockets with zippers. * the pant has functional cuffed legs with extra length zippers.

ARTICLE
